This document is the property of Amphenol Corporation and is delivered on the express condition that it is not to be disclosed, reproduced or used, in whole or in part, for manufacture or sale by anyone other than Amphenol Corporation without its prior consent, & that no right is granted to disclose or to use any information in this document.

Technical drawing showing four views of a screwlock assembly. The top view shows a hexagonal head with a diameter of 5.00 and a thread specification of #4-40. The side view shows a total length of 8.30, a hexagonal section with a 120-degree angle and a height of 4.60, and a bottom section with a diameter of #4-40. The end view shows a diameter of 1.60 and a thread specification of #4-40. Callouts 1, 2, 3, and 4 identify the screw, washers, lock washer, and nut respectively.
